ATTENTION

Severn House Building #4 Residents

Power Washing & Sealing of the Decks &
Power Washing & Painting of the Building

Building 4 ONLY

Annapolis Painting will be out in the community to start the power washing on Tuesday, September 20, 2011.

Power washing will start on this day, pending weather. Painting & sealing will start thereafter.

Please make sure to remove all stored items from the decks and patios that you do not want damaged by water on or before September 19th. Pots and other plantings need to be protected as well, as there is mild bleach in the power washer.

Thank you,
Victory Management
