REVISED

ATTENTION

Painting of Buildings #2 & #3 will commence week of September 20th

Building #3 ONLY

Power washing of Building #3 ONLY will be conducted on Thursday, September 20th, 2012, pending weather.

Please make sure to remove all stored items from the decks and patios that you do not want damaged by water on or before September 20th. Pots and other plantings need to be protected as well, as there is mild bleach in the power washer.

More information regarding this project and the washing of Building #2 will be forthcoming as it becomes available.
